GREEN EXTRACTION OF NATURAL PRODUCTS

The International Congress on Green Extraction of Natural Products (2016) is organized by the - Dipartimento di Scienza e Tecnologia del Farmaco - University of Turin - Italy.

GENP2016 meeting will feature scientific program of comprehensive talks, plenary sessions, oral and poster presentations.

The International Congress on Green Extraction of Natural Products (GENP2016) is focused on agro, food, perfume, cosmetic, chemical, fuel and energy sectors. The whole value chain of every application is considered; cultivation, extraction, purification, processing and recycling steps. We welcome participants from across the globe to take part in this event which will be held on May 31 – June 01, 2016. On overview on the advancement of Green Extraction and Sustainable Processes will serve as catalyst for connecting scientists and experts within and across disciplines from around the world. Our leading role will be to facilitate the interaction between experts from industry and academia researchers in these fields in order to create information exchange, generation of new ideas and acceleration of applications that benefit society.

GENP2016 meeting will feature scientific program of comprehensive talks, plenary sessions, oral and poster presentations of peer-reviewed contributed papers. A range of social activities are also being planned which includes a Networking Dinner with Cultural Performances and sightseeing tours in a city which, with its art, history, nature and culture, sport and tradition, has an exceptional appeal.

We look forward to welcoming you to Turin for the International Congress on Green Extraction of natural Products.

- » T. Bartolini
- » A. Binello
- » L. Boffa
- » G. Calcio
- » M. Caporaso
- » G. Grillo
- » L. Jicsinszky
- » S. Mantegna
- » K. Martina
- » L. Rotolo
- » S. Tabasso
- » S. Tagliapietra
- » Z. Wu

INTERNATIONAL ORGANIZING COMMITTEE

- » G. Cravotto, Italy
- » F. Chemat, France
- » J. Strube, Germany
- » L. de Castro, Spain
- » A. Lapkin, UK
- » E. Flores, Brazil
- » J. Smanioto Barin, Brazil
- » P. Juliano, Australia
- » A. A. Meireles, Brazil
- » S. Leandros, Greece

GENP 2016 Scientific Board and REFFIT's editorial team planned a special issue of Resource Efficient Technologies (Elsevier) with selected papers presented at the GENP 2016 to be held in Turin, Italy on May 31st and June 1, 2016.

Aula Magna Cavallerizza Reale

VENUE

The symposium will be held in Turin (Italy), Aula Magna Cavallerizza Reale (via Verdi 9), an historical building (1730) in the heart of the city with a modern amphitheater (430 seats).

The recently modernized Turin International Airport (aerportod torino.it) is just 10 miles north-west of the city centre. There are direct flights to and from several national and international airports, as Rome, Frankfurt, London, Amsterdam, Madrid, Munich and Paris. 130 km away from Turin there is the Milano Malpensa international airport with some intercontinental flights and various direct flights for European cities. In case you arrive at Milano Malpensa you can either take a bus for Torino (sadem.it/en/) or take a train to go to Milano (malpensaexpress.it/en/) and then another train to Torino (trenitalia.com/). High speed trains (Frecciarossa) from Milano to Torino take 50 minutes. Pay attention of the station of arrival and departure in Milano. For the arrival in Torino, you can choose either Torino Porta Susa or Torino Porta Nuova, both the station have direct connection to the conference venue with public transport or about 15 min walk.

DEADLINES

- » 31 MARCH - 30 APRIL 2016 ▶ Abstract submission
- » 10 MAY 2016 ▶ Registration and payment
- » 20 MAY 2016 ▶ Final program

ABSTRACT
